Disclaimer for the Use of Third-Party AI Tools

1. **Definitions and Applicability:** Wherever this disclaimer refers to Any2info, it refers to the owners, developers, and administrators of the Any2info software products. Third-party AI tools refer to the artificial intelligence algorithms, models, interfaces, and services developed and managed by external parties and integrated into the Any2info software products or otherwise used by Any2info.
2. **No Liability:** Any2info is not responsible for any direct, indirect, incidental, consequential, or special damages arising from or in any way related to your use of or reliance on third-party AI tools. While Any2info strives to integrate high-quality AI tools, the accuracy, reliability, suitability, or correctness of these tools cannot be guaranteed.
3. **Independence:** Third-party AI tools are operated and maintained by external organizations. These organizations are independent, and Any2info has no control over the operation, updates, or changes to these tools.
4. **Third-Party Terms of Use:** The use of third-party AI tools via Any2info is subject to the terms and policies of these third parties. Any2info encourages users to be aware of and adhere to these terms.
5. **Changes and Availability:** The availability and functionality of third-party AI tools via Any2info may be changed, suspended, or terminated without prior notice. Any2info is not liable for any change, interruption, or discontinuation of these tools.
6. **No Endorsement:** The use of third-party AI tools by Any2info does not imply endorsement, affiliation, or representation of these third parties.
7. **Indemnification:** By using the Any2info software products, you indemnify Any2info from all claims, costs, damages, losses, and other liabilities arising from or related to your use of third-party AI tools.
8. **Changes to the Disclaimer:** This disclaimer may be updated or modified from time to time. Any2info advises users to consult it regularly.

By using the Any2info software products, you acknowledge that you have read and understood this disclaimer and agree to the terms.
